Classroom Animal Sitter Permission Forms
GCHS Agriculture Education Department

Your child would like to bring one of the animals from the Agriculture Education Class home for a school break. They have volunteered to bring

_____ (name of and type of pet) on

_____ (Break name and dates)

You or the student is responsible for transporting the animal to/from class. All animals **MUST** enter the high through **the main office OR the Ag door (room 47)**. Animals cannot enter through school at any other entrance and walk through the halls to the classroom. The animal must leave the day break begins and come back the day break is over unless alternative arrangements have been made with Miss Judd.

Your child has **volunteered** to bring an animal home from class. It is not required that they bring home an animal. As the caretaker, they need to provide minimum care for the animal over the break including food, water, and clean bedding. Food will be provided to the student to last the break and they will be instructed on their care. In the event that they animal runs out of food, it will be the responsibility of the volunteer to purchase food for the remainder of the break. Bedding may need to be provided by the caretaker over the break. The animal may have treats if they have been instructed that it is alright.

By signing this form you are:

1. Consenting to allow the animal to stay at your house.
2. Agreeing to call Miss Judd (931-607-1763) in an emergency.
3. Agreeing to give minimal care to that animal for the entirety of the break.
